### REGISTER FROM MIAMI LODGE MARIPOSA COUNTY - 1921

Fifty years ago on May 15, 1921 seventy-two guests registered at Miami Lodge. Visitors arrived from: New York, Connecticut, Pennsylvania, Minnesota, Wisconsin, Iowa and Nebraska.

This Lodge on the road between Ahwahnee and Fish Camp was a lunch stop for auto stage coaches on their way to Wawona. The road was a major route to Yosemite Park until the construction of Hwy 140, the "all year highway" via Mariposa through Merced Canyon.

In more recent years this famous hostelry was destroyed by fire.
